UNITED STATES OF AMERICA Before the COMMODITY FUTURES TRADING COMMISSION

RICHARD S. NUMBERS, TRUSTEE, The Richard S. Numbers Revocable Trust

STEPHEN RANDALL MOORE

CFTC Docket No. 05-

ORDER PURSUANT TO DELEGATED AUTHORITY

In an initial decision, a Judgment Officer ordered respondent Stephen Randall Moore ("Moore") to pay complainant Richard S. Numbers ("Numbers") reparations of \$76,750. Numbers v. Moore, 2006 WL 1476900 (May 24, 2006). Moore did not appeal to the Commission and the initial decision became the final decision of the Commission. When Moore did not pay the reparations award, Numbers presented a certified copy of the Commission order to the United States District Court for the Eastern District of Virginia to enforce it. The district court denied Number's attempt to register his judgment. Numbers v. Moore, Case No. 1:6mc70 (E.D. VA May 31, 2007) (unpublished). Numbers has now returned to the Commission seeking assistance in his collection efforts.

We treat Numbers's submission as a motion for extraordinary post-judgment relief. If Moore chooses to reply, he shall file and serve his response within 10 days from the date of this order.
